

The Financial Resource Network is honored to present a speaker returning to Israel due to critical acclaim!

MEET ONE OF NORTH AMERICA'S MOST SUCCESSFUL PERSONAL ASSET MANAGERS.

A unique opportunity to learn how the international investment world should work for those who keep assets abroad and need significant monthly income. Tap into the "sweet spot" of lower risk and maximum return investing, a very successful, conservative investment system for uncertain times.

- ✓ Organizing the two key stages of your "Personalized Pension Plans": How to manage the interval of greatest risk.
- ✓ Understanding current market dynamics.
- ✓ Investing mistakes made by intelligent people.
- ✓ How to efficiently and profitably manage personal wealth kept abroad, using the strategies of the leading Pension Funds.
- ✓ Why your Asset Manager should have a great team to assist the investor, to provide quick resolution of basic legal, tax and banking issues.

Featuring: Mark van Gelderen & Jean Kauffmann, Financial Planners with the Financial Resource Network, &

Jeff Eckstein, a Portfolio Manager, with 35 years experience, ranked in the top 2% of investment advisors in Canada. Jeff was senior advisor to a Provincial Premier and his Minister of Finance on investment and pension policy, international trade and major financial projects (1986 to 1995). Today, the group he heads manages \$500,000,000 in assets for hundreds of high net worth families throughout Canada, the US, Europe and Israel.
